

Whole Family Benefited By Wonderful Remedy

There are many little things to annoy us, under present conditions of life. The hurry, hard work, noise and strain all tell on us and tend to provoke nervousness and irritability. We are frequently so worn out we can neither eat, sleep nor work with any comfort. We are out of line with ourselves and others as well.

A good thing to do under such circumstances is to take something

Dr. Miles' Anti-Pain Pills

to relieve the strain on the nerves. Mrs. J. B. Hartfield, 33 Corput St., Atlanta Ga., writes:

"I have on several occasions been vastly relieved by the use of your medicine, especially the Anti-Pain Pills, which I keep constantly on hand for the use of myself, husband and two sons. Nothing in the world equals them as a headache remedy. Often I am enabled by the use of one or two of the Pills to continue my housework when otherwise I would be in bed. My husband joins in my praise of the Anti-Pain Pills and Nervine."

Dr. Miles' Anti-Pain Pills

are relied upon to relieve pain, nervousness and irritability in thousands of households. Of proven merit after twenty years' use, you can have no reason for being longer without them.

Premiums for Fruit

The Missouri state board of horticulture has appropriated from its funds the sum of \$400.00 with which to duplicate regular premiums offered for fruit exhibits at the Missouri state fair at Sedalia, Sept. 28-Oct. 4, 1912.

This co-operation on the part of the board with the fair management is for the purpose of arousing greater interest among the fruit growers of the state in the exhibition of their horticultural products.

Premiums lists may be secured from John T. Stinson, secretary, Sedalia, Mo.; or the secretary of the state board of horticulture, Columbia, Mo., will be glad to answer any and all inquiries concerning the above offer.

Missouri fruit growers should take advantage of this offer and send in their fruit as per instructions in the premium list.

News of Linn County

The Meadville baseball team walloped Brookfield to the tune of 6 to 1 at Brookfield last Sunday.

The farm home of C. H. Mason south of Brookfield was burned to the ground Friday afternoon with most of its contents. The origin of the fire is unknown. Mr. Mason had \$1200 insurance on the building, and \$500 on the household goods. He will rebuild at once.

Purdin Enterprise: The citizens met at Cassity's hall last Saturday afternoon and decided to hold their second annual street fair on Friday and Saturday, Sept. 20 and 21. The new officers elected were W. G. Beckett, president; W. F. Rice, secretary; Dr. Dryden, treasurer and E. L. Jones, general solicitor of funds for premiums.

Leader-Record: One day last week some men put out a fire in J. B. Harmon's meadow to burn out a bumblebee's nest and in spite of all they could do the fire spread and soon burned up a rick of hay and if it had not been for a path in the meadow most all of his hay would have been burned. Wm. Brown was overcome with heat while fighting fire and a physician was called.

Gazette: A contract has been let for the construction of a cement block, fireproof building, to cost \$14,000, on the site of the old Baptist church. The contractor, Mr. Mangle of Hannibal, will begin work on the building at once and will have it ready for occupancy by October 1. The building will be used as an air dome in summer and for moving pictures in winter and will have a seating capacity of six hundred and fifty. It will be first class in every particular. The building has been leased by Strother H. Messerly, a bright young man from St. Louis, who no doubt will make a success of this new enterprise.

Messenger: Rapid progress is being made with the light work in Meadville and it is expected that the city lights will be shining before the opening of the Chautauqua. A force of men are employed doing the plumbing work and considering the unusual hot weather are doing lots of work. Several residences will be fitted up for the lights soon as will some of the store buildings. Meadville will put on altogether a different appearance when the system is completed. It will give a good impression of the city to see the street lights. Even from the trains that pass through in the night time the little city light will reflect a good impression upon the community.

Journal: Extensive improvements in Marceline were inaugurated by the Santa Fe railroad, Tuesday, when men in charge of W. O. Griffith, bridge and building man under J. H. Banker, head of that department, arrived to move the old depot and stock yards, preparatory to putting up the new office building and station and the round house. It is estimated that the total cost of the work, which will include the yard improvements, will exceed \$300,000. The work as outlined will keep a large force of men employed for the remainder of the year and possibly the greater part of next year. It is estimated that between three hundred and fifty and four hundred men will be employed.

Messenger: Tuesday night, or early Wednesday morning the O. P. C. H. dry goods store, owned by I. H. McKittrick, and N. E. Humphres grocery store were broken into and robbed. Entrance was gained to the O. P. C. H. by prying open the front door with chisels and hammers which were stolen from the C. E. Edwards blacksmith shop. About \$13.00 was taken from the safe which had not been locked Tuesday night. The property store was entered by breaking a window in the rear of the store. The cash register only containing about \$1.00 which with about 50 cents worth of cheese, crackers and pickles were taken. At this writing they have no clues of the burglars. Wednesday night, robbers broke into the Wheeling blacksmith shop and secured tools to gain entrance to the post office and to H. E. Tharp's drug store. Nothing was molested in the post office but at this drug store the cash register was robbed, also a slot machine. Several dollars worth of soft drinks were destroyed

and the soda fountain was left turned on. The blood hounds belonging to Sheriff White, of Chillicothe, were put on the trail, but could do no good because of insufficient training.

Summer Star: At the meeting of the city dads Monday night an ordinance was introduced limiting the speed of automobiles within the town limits to ten miles per hour. Signs will be erected at the entrances of the town warning auto drivers to keep within the speed limits, and the law will be rigidly enforced.

Gazette: Elmer Patten, living a few miles northwest of this city, was severely injured last Saturday morning. On entering the barn to look after his horses he slipped and fell which scared one of the horses. The animal commenced kicking, striking the young man on the side of the head, inflicting a severe wound. He was unconscious for some time, but is now getting along nicely.

Last Monday night about thirty-five relatives and friends gathered at the country home of Mr. and Mrs. Byron Lamme, where a surprise party was given in honor of Mrs. Mary Tufts, their aunt, the occasion being the seventy-fifth birthday anniversary of this estimable old lady. Ice cream and cake were served and a general good time is reported by those present. Each guest departed for home wishing Mrs. Tufts many more such birthday remembrances. —Bulletin.

News: The Linn county teachers' convention will be held in Linneus on Wednesday and Thursday, August 28 and 29. All of the Linn county teachers attend this convention, so on account of the lack of a commodious hotel it will be necessary for our people to open their hearts and their homes and make places for the strangers who will be among us. Quite an interesting program has been arranged which will entertain others besides the teachers.

News: The Leavell property near Meadville advertised for sheriff's sale in partition was sold Monday afternoon by Sheriff Anderson. The property consists of 160 acres. It was first sold by 40's, bringing a total of \$7,600. Then the sale was made as a whole, bringing \$8,800. The law permits a sale to be made in this manner, the sale going the way the largest amount is realized. James Constant of Chillicothe neighborhood was the purchaser.

Tapscott-Phillips

Herbert J. Phillips of near Linneus and Miss Lena Tapscott of St. Catherine were married at the South Methodist parsonage in Brookfield at four o'clock Sunday afternoon, Aug. 11, Rev. K. T. Davis officiating. They will reside on a farm near Linneus. The bride is a former Laclede girl, the daughter of Mr. and Mrs. C. E. Tapscott, and her many friends here extend congratulations and best wishes.

Revival Meetings Close

The revival meetings conducted in the tent the past month closed Sunday night, after several additions had been made to the Christian church. Several of the new members were baptized in Locust creek Sunday afternoon. Rev. J. A. McKenzie, the evangelist, is an exceedingly forceful and interesting speaker, and the special music by Prof. and Mrs. C. M. Howe was exceptionally good.

A basket dinner was held at the tent Saturday, attended by the members of the church and their families and a number of invited guests, and so bountifully did the ladies provide the tasteful viands that more than the proverbial "twelve baskets" remained after all had eaten their fill and supper was served at the tent also. The ladies spent the day in quilting and accomplished a great deal of work, besides having a most delightful

time.

Rev. McKenzie and Prof. and Mrs. Howe left Monday for New Hampton, where they will hold a meeting. During their stay here they made many friends, who wish them success in their work wherever they may be.

Leader-Record: One of our most popular young ladies yesterday went into a drug store for a bath sponge. In asking for it she made the ludicrous mistake of requesting the clerk to give her a sponge bath. The clerk swooned and his recovery is doubtful. In order to get this item in we promised to mention no names.
